*since 1939...*

1939 yılından beri 4. kuşak tecrübemizle ürün ve hizmet kalitesi her zaman önceliğimiz olmuştur. %100 pamuk ipliğinden üretilen kumaşlarımızda boya ve terbiyeler insan sağlığına zararlı kimyasallar içermez. Firmamız OEKO-TEX ve birçok avrupa standartlarına uyumlu belgelere de sahiptir. Dünyadaki güncel moda renkleri ve desen tarzlarını takip edip kendi Ar-ge ekibimizle geliştiriyor ve siz değerli müşterilerimize sunuyoruz. Çelik Tekstil Eiffel, Selonya ve Frank markaları ile 40 dan fazla ülkeye aktif ihracat yapıyor ve her geçen gün üretim kapasitesini artırıyor. Bu süreçte "Biz beraber güçlüyüz." sloganımızla birlikteliğimizi uzun yıllar sürdürebilmek en büyük mutluluğumuz.

Based on our fourth-generation experience since 1939, we have always given priority to product and service quality. Any fabrics we produce from 100% cotton yarn do not contain chemicals harmful to human health during dyeing and finishing. Our company also has documents that are in line with OEKO-TEX and many European standards. We follow the current worldwide fashion colors and pattern styles and develop them with our own R&D to supply them to our valued customers. Under Çelik Tekstil Eiffel, Selonya and Frank brands, we are engaged in active exports to more than 40 countries and we are increasing our production capacity day by day. Among other things, it is our greatest happiness to be able to continue our cooperation for many years with our slogan "We are strong together".

Опираясь на наш опыт 4-ех поколений, начиная еще с 1939 года, первоочередной задачей для себя мы обозначили высочайшее качество продукции и услуг. Наши ткани, изготовленные из 100% хлопчатобумажной пряжи, при окраске и отделке не включают в себя вредные химические вещества. Наша компания также имеет сертификаты, соответствующие OEKO-TEX и многим европейским стандартам. Мы следим за текущими модными мировыми тенденциями в цвете, стиле и узорах, разрабатываем их, благодаря собственной команде исследований и развития, и представляем свою продукцию клиентам. Мы активно экспортируем продукцию под брендами Çelik Tekstil Eiffel, Selonya и Frank в более, чем 40 стран, день ото дня увеличивая объемы производства. Мы движемся под девизом «Весте мы – сила!», и для нас большое счастье иметь возможность продолжать подобное единство и сотрудничество в течение многих лет.

بفضل خبرتنا من الجيل الرابع منذ عام ١٩٣٩ ، كانت جودة المنتج والخدمة على رأس أولوياتنا دائماً. أقمشتنا التي يتم إنتاجها من خيوط قطنية ١٠٠٪ لا تحتوي على مواد كيميائية ضارة بصحة الإنسان بإضافة الصبغة لها.

تمتلك شركتنا أيضاً مستندات ووثائق متطابقة مع معايير OEKO-TEX والعديد من المعايير الأوروبية. نحن نتابع ألوان الموضة الحالية وأمط التصاميم في العالم ونطورها مع فريق البحث والتطوير الخاص بنا ونقدمها لعملائنا الكرام.

نصدر بشكل فعال إلى أكثر من ٤٠ دولة مع كل من العلامات التجارية Çelik Tekstil Eiffel و Selonya و Frank ، ونعمل على زيادة طاقتنا الإنتاجية يوماً بعد يوم.

في هذه الفترة، إنه لمن دواعي سعادتنا الكبرى أن نكون قادرين على مواصلة ارتباطنا بشعارنا لسنوات عديدة والذي هو "نحن أقوى معاً."
